ENTERPRISE

Cambridge International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0454 (Enterprise) in the October/November 2013 examination.

	maximum	minimum mark required for grade:					
	mark available	A	С	E	F		
Component 1	100	66	43	26	22		

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 200.

The overall thresholds for the different grades were set as follows.

Option	Combination of components	A *	Α	В	С	D	E	F	G
А	01, 02	150	140	119	98	79	61	47	33
В	01, 82	150	140	119	98	79	61	47	33

Grade Thresholds are published for all Cambridge International AS/A Level and Cambridge IGCSE subjects where a corresponding mark scheme is available.
