Section C

Question Number	Indicative content	Mark
7	Question 7 is marked out of 15 using the three grids in the following pages.	(15)

Marks	Communication and Content
5	Very detailed and fully relevant response to the stimulus. Clearly able to narrate, describe, express opinions and expand, as appropriate to the task. Excellent communication; no ambiguity. Excellent linking of the piece into a whole. Coherent and pleasant to read.
4	Detailed response to the stimulus, although there may be minor omissions. Evidence of description, opinion and expansion, as appropriate to the task. Meaning generally clear. Some lapses. Reasonable attempt to link the piece into a whole. Generally coherent. May be rather pedestrian or alternatively somewhat over-ambitious.
3	Suitable relevant information conveyed, although there may be some omissions and/or irrelevance. Evidence of ability to go beyond a minimal response, beginning to expand ideas and express opinions. Some ambiguity, especially if more ambitious language is attempted. Comprehensible overall. Some attempt at linking piece into a whole. Ambiguous in places.
2	Key information given; possibly major omissions and/or irrelevance, repetition. Level of response minimal with limited evidence of description or opinions. Some ambiguity. Just about comprehensible overall. Sentences written in isolation. Not easy to read.
1	Little relevant information conveyed. Level of response very limited. Much ambiguity and/or incoherence. Except for isolated items, would not be comprehensible to a native speaker.
0	No relevant communication.

Marks	Knowledge and Application of Language
5	Vocabulary and structures comfortably equal to the task. No repetition. Confident use of a variety of complex structures. Range of tenses appropriately used. Clear ability to manipulate language to suit purpose.
4	Evidence of a range of vocabulary and structures appropriate to the task. Some attempt to vary sentences by using more ambitious structures, although unlikely to be wholly successful. Tenses generally appropriately used. Some ability to manipulate language to suit purpose, albeit with mistakes.
3	Vocabulary and structures adequate to the task. Style basic, correct syntax when using simple, short sentences. Some longer sentences where syntax is not always correct. Evidence of correct formation of tenses, with some lapses. Some attempts to manipulate language, despite use of pre-learned language and/or set phrases at times; this may be only partially successful.
2	Limited vocabulary and structures, only just adequate to the task. Language basic and sometimes inappropriate. Sentences simple and usually short. There may be some simple subordination. Some evidence of correct formation and use of verbs/tenses, but frequent lapses. Pre-learned, set phrases predominate. Some attempts at enhancement of facts, but this is likely to be only partially successful.
1	Very limited language, which greatly restricts communication. Language very basic and frequently inappropriate. Little understanding of language structures and/or formation and use of tenses. Occasional almost correct phrase or short sentence, but this will be pre-learned.
0	No language worthy of credit.

Marks	Accuracy
5	High level of accuracy. Not faultless, but only occasional minor errors. Secure when using more complex language, though not necessarily faultless.
4	Generally accurate in straightforward language. Accuracy can be more variable when more complex structures are attempted.
3	Fairly accurate in simple language. Errors do not prevent communication. About half of what is written should be free of major errors; inaccuracy increases when more complex structures are attempted.
2	Frequent basic errors, but main points communicated. Some correct phrases, but frequent misspellings, inaccurate genders, incorrect verb endings.
1	Frequent basic errors and inaccuracies prevent communication. Isolated examples of correct language. Very little or no evidence of correct verb formation.
0	No language worthy of credit.
