

INFORMATION AND COMMUNICATION TECHNOLOGY

Cambridge International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0417 (Information and Communication Technology) in the October/November 2013 examination.

	maximum mark available	minimum mark required for grade:			
		A	C	E	F
Component 11	100	67	50	39	34
Component 12	100	64	44	36	29
Component 13	100	69	50	40	32
Component 2	80	66	43	22	18
Component 3	80	66	45	24	16

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it.

Grade A* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is **300**.

The overall thresholds for the different grades were set as follows.

Option	Combination of components	A*	A	B	C	D	E	F	G
EX	02, 03, 11	260	227	193	159	129	99	79	59
EY	02, 03, 12	258	223	187	152	123	95	73	51
EZ	02, 03, 13	263	229	194	159	129	100	77	54

Grade Thresholds are published for all Cambridge International AS/A Level and Cambridge IGCSE subjects where a corresponding mark scheme is available.
