## International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0447 (India Studies) in the May/June 2012 examination.

|             | maximum           | minimum mark required for grade: |    |    |    |  |
|-------------|-------------------|----------------------------------|----|----|----|--|
|             | mark<br>available | A                                | С  | E  | F  |  |
| Component 1 | 75                | 40                               | 30 | 21 | 17 |  |
| Component 2 | 60                | 39                               | 29 | 19 | 15 |  |
| Component 3 | 30                | 21                               | 14 | 11 | 7  |  |

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A\* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A\* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 165.

The overall thresholds for the different grades were set as follows.

| Option | Combination of components | <b>A</b> * | Α   | В  | С  | D  | E  | F  | G  |
|--------|---------------------------|------------|-----|----|----|----|----|----|----|
|        | 01, 02, 03                | 109        | 100 | 86 | 73 | 62 | 51 | 39 | 27 |

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
