Skylanders

'Skylanders' is a set of video games published by Activision. A Skylanders figure is a physical model or toy. To play the game you place the character figure on the 'Portal of Power'. The character will then appear in the video game.

Simon works in a shop selling video games. The shop sells Skylanders starter kits, containing the 'Portal of Power' and two playable characters. Additional playable characters can be purchased separately. Often the shop has special offers on both the starter kits and the playable characters.

As a member of staff, Simon is given a 21% discount on anything he buys from the shop.
