**QUESTION 3 / VRAAG 3**  
**COMPRÉHENSION II**

**Waiter, a coffee ....**

When we think of Paris  
 Of its bridges  
 Of its monuments  
 One thinks of its typical cafés  
 The cafés appeared at the same time as the drink that gave them their name  
 In the oldest café in Paris, the café Procope  
 That dates from 1689  
 The Parisians drank coffee for the first time  
 Paris is a very modern city  
 Where traditional cafés  
 Are disappearing  
 Yes it's true  
 50 years ago  
 the café was a meeting place  
 a place for discussion  
 but at present  
 4,000 cafés close their doors  
 every year  
 in France  
 To survive  
 The cafés have modernised  
 We now find cybercafés  
     Philocafés  
     Télécafés  
     Music cafés  
     Job cafés

**The Philocafés:** the people come here to make friends  
 And discuss philosophical concepts

**The Sport cafés:** Created in 1998  
 By Kronenbourg  
 And Adidas  
 The football enthusiasts  
 Can watch the matches of their choice on big or individual screens

**The cybercafés:** their clients can surf the web  
 It costs ± 25 francs  
 Per half hour  
 One can also play chess

Backgammon  
 Dominoes  
 Cards

Everyone can choose his own café  
 According to his personal taste  
 And so young people go to bars once again ....  
 Long live the café

(N.B. Any 15 facts accepted) (L.W. Enige 15 feite word aanvaar)

15x2 = [30]

**QUESTION 4 / VRAAG 4**
