

**MARK SCHEME for the October/November 2010 question paper
for the guidance of teachers**

7101 COMMERCIAL STUDIES

7101/03

Paper 3 (Text Processing),
maximum raw mark 100

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2010 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Deduct 1 mark per error to max 7.

Short working

All candidates are expected to reach the end of the passage, which represents a speed of 30 wpm.

Those who do not should be penalised under accuracy, -1 mark per missing word.

This may result in a number of candidates, who are not typing at the required speed of 30 wpm, losing all their accuracy marks.
