

# London Examinations General Certificate of Education

## 7040 Ordinary Level Biology & 7042 Human Biology

### Suggested Reading List

The following books may be of use to candidates who are sitting the Ordinary Level Biology and Human Biology syllabuses. The list given is not meant to be exhaustive and other books are available which can provide suitable material. It is not intended to suggest that a candidate should attempt to consult all of the books but rather select a few of them for study.
