# London Examinations GCE Mathematics Syllabus B Ordinary Level

Paper 1

Tuesday 6 May 2008 – Morning

Time: 1 hour 30 minutes

Materials required for examination	Items included with question papers
Nil	Nil

Candidates are expected to have an electronic calculator when answering this paper.

## Instructions to Candidates

In the boxes above, write your centre number, candidate number, your surname, initials and signature. Check that you have the correct question paper.

Answer ALL the questions.

Write your answers in the spaces provided in this question paper.

If you need more space to complete your answer to any question, use additional answer sheets.

## Information for Candidates

The marks for individual questions and the parts of questions are shown in round brackets: e.g. (2). Full marks may be obtained for answers to ALL questions.

There are 28 questions in this question paper. The total mark for this paper is 100.

There are 16 pages in this question paper. Any blank pages are indicated.

## Advice to Candidates

Write your answers neatly and legibly.
