

Sinhala leading to London Examinations GCE Ordinary Level
by Senehelatha Jinasena (Grades 9 & 10)

ISBN 955-98880-6-4

Barcode No 978 9559 888062

This book is designed for the benefit of students sitting Sinhala as a subject at the GCE Ordinary Level London Examinations. The book is well planned with the requirements of the O level syllabus in mind, where the main areas covered are translations from Sinhala to English, comprehension and correct usage of literary Sinhala.

The lessons and the exercises are designed to help the students in acquiring skill and fluency in areas such as grammar, vocabulary and spelling. Thus, the books aims to improve the candidates' grasp of the written idiom in fairly complex situations, thus improving confidence.

This set of graded books - consisting of six books in all, is meant to be used in the Grades 3 to 8 in International Schools by students learning Sinhala as a subject. The series terminates in Grade 8. The first book in the series introduces the beginner to the Sinhala writing system and to some basic structures in spoken Sinhala as well. The other booklets in the series conduct the students in a well-planned sequence to the end of Grade 8 (Form 3). Recommended for use as supplementary reading to the Grade 9 & 10 book.
