

Inductive Reasoning Practice Test 7

Question Booklet

Instructions

This inductive reasoning test comprises **30 questions**. You will have **25 minutes** in which to correctly answer as many as you can.

In each question you will be presented with a logical sequence of five figures. You will need to determine which of the possible answers best matches the next figure in the sequence, or replaces the missing figure in the sequence.

You will have to work quickly and accurately to perform well in this test. It is recommended to keep working until the time limit is up.

Try to find a time and place where you will not be interrupted during the test. When you are ready turn over the page.
