4. You read an article in a French magazine about living in a holiday town.

### **Les avantages et les inconvénients d'habiter une ville touristique**

#### **Alice, 18 ans, suisse**

J'adore mon petit village touristique à la montagne car beaucoup de touristes viennent ici en hiver pour faire du ski, et en été pour admirer notre beau paysage. Comme ça je rencontre des gens d'autres pays et j'entends des langues différentes.

Ce que j'aimerais changer dans mon village? Avoir une piscine pour nager par mauvais temps.

A l'avenir, je voudrais passer un an à l'étranger pour pouvoir travailler dans le secteur touristique.

#### **Paul, 16 ans, français**

Moi, j'habite au bord de la mer. Je déteste les grandes vacances parce qu'il est impossible de bouger en ville et la plage est couverte de bouteilles en plastique.

En plus, je dois garder mes deux sœurs pendant que mes parents travaillent dans leur hôtel. Je ne peux donc pas sortir avec mes amis.

Je préfère ma ville à la fin du mois de septembre car il y a moins de monde et j'ai du temps libre pour faire de la planche à voile.

Pour moi les vacances idéales seraient dans un endroit tranquille où j'aurais le temps de lire un bon roman.
