**Section D : Comprehension (10 marks)**

**Read the passage carefully and answer the following questions.**

Sue Ling rushed home from school. Without taking her lunch, she ran into the garden. She wanted to see if the seed she had planted was growing. When she saw it, she was disappointed.

"Plants need sunlight, my dear girl," explained her mother. "You have to water and add fertiliser to the soil too," added her mother.

On hearing that, Sue Ling patiently watered the plant every evening. She also added fertiliser to the soil. After a few days, the plant started to grow.

One day, Sue Ling cried excitedly, "I can see the leaves!" Sue Ling's mother looked at the plant. Sure enough, she saw a few tiny leaves appearing on the plant. They were overjoyed.
