Section G : Comprehension (5 x 2 marks)

Read the passage carefully and answer the questions in complete sentences.

Mr Yuen Hon Chew is sixty-two years old. He teaches senior citizens how to use the computer.

“Young people learn very fast. But senior citizens do not learn as fast as them. So we must be very patient with them,” he said.

Mr Yuen uses a method of ‘Show and Do’. He will show the senior citizens where to switch on a computer. Then he lets them do it for themselves. He also repeats what he says so that those who are forgetful can remember what to do.

He retired from his oil company four years ago. He was an engineer.

Now, he also helps at the Queenstown Community Library every Friday from 3 p.m to 6 p.m.

He is indeed a helpful senior citizen!
