Read the passage carefully and answer questions 46 to 50 (10 marks)

One sunny morning, Momo went to work at a toy factory. She left home at six o'clock and reached the factory one hour later.

At about nine o'clock, she saw smoke coming out of the storeroom. She informed her manager immediately. Her manager called the fire department at once. The workers quickly ran out of the building. When Momo was out of the building, she realized that her friend, Julie, was still inside. She quickly ran in to rescue her. Julie hurt her left leg and could not walk. Momo quickly carried her out.

Fifteen minutes later, the firemen came. They spent half an hour to put out the fire. Luckily, nobody was badly hurt in the fire. Everyone praised Momo for being alert and brave.

ALL ANSWERS MUST BE IN COMPLETE SENTENCES

46. When did Momo reach her work place?

47. Where did the fire start?

48. Who did Momo inform first when she saw the smoke?

49. Which sentence tells you that no one was seriously hurt in the fire?
