

Nan Hua Primary School
End-Of-Year Examination 2005
Mathematics
Primary Two

Name: _____ ()

Marks:

100

Class: Pr 2 _____

Date: 27 October 2005

Duration: 1 h 30 min

Parent's Signature: _____

Section A (2 marks each)

Fill in each box with the correct answer.

1. Write in words.

812	→	
-----	---	--

2. Rearrange the following numbers in order, beginning with the greatest.

234	324	432	223	423
-----	-----	-----	-----	-----

--	--	--	--	--

Greatest

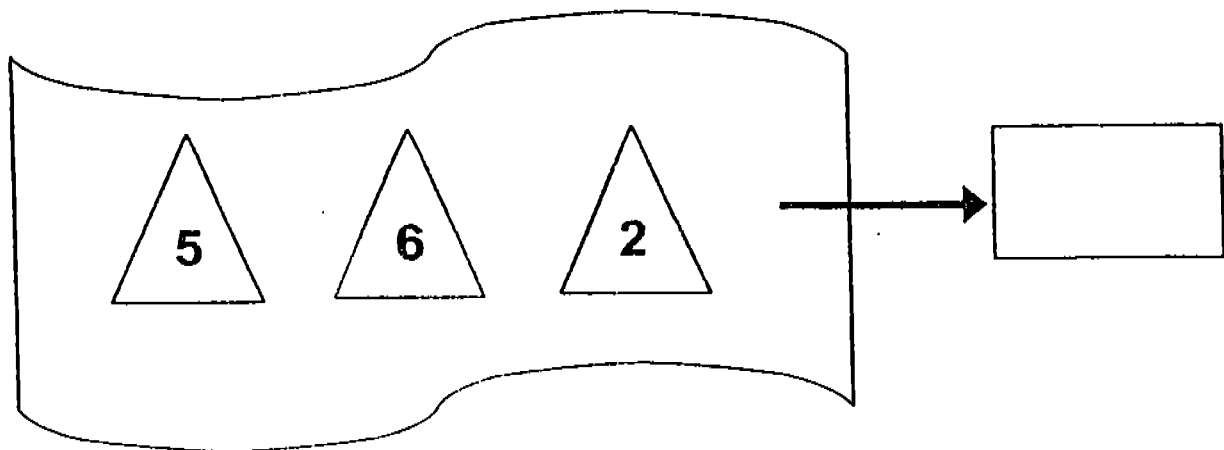

3. In 431, the digit '4' is in the place.

4. - 56 = 376

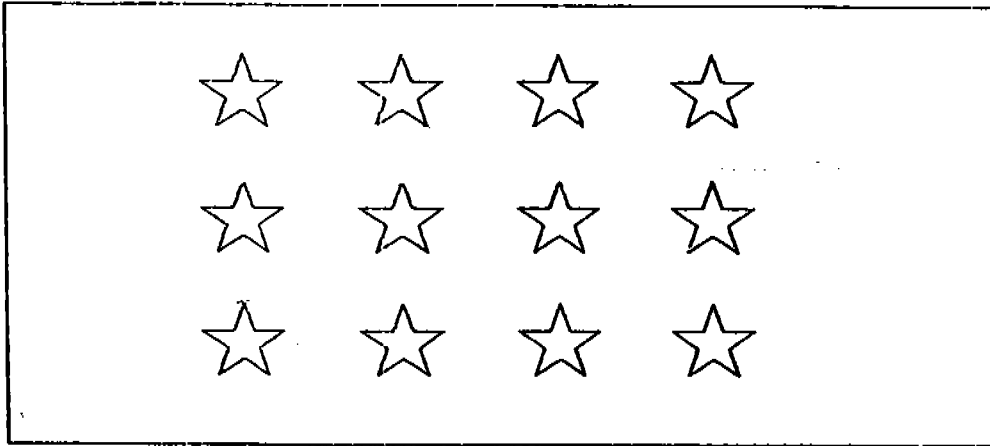

5. $21 \div 3 =$

6. The difference between 3 tens and 525 is

7. Form the **smallest 3-digit odd** number from the digits 5, 6 and 2. Each digit can only be used **once**.

8. Ring these stars into groups of 4.

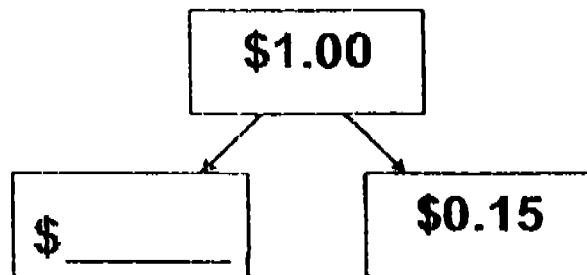

Section B (2 marks each)

Write the correct answers in the boxes provided.

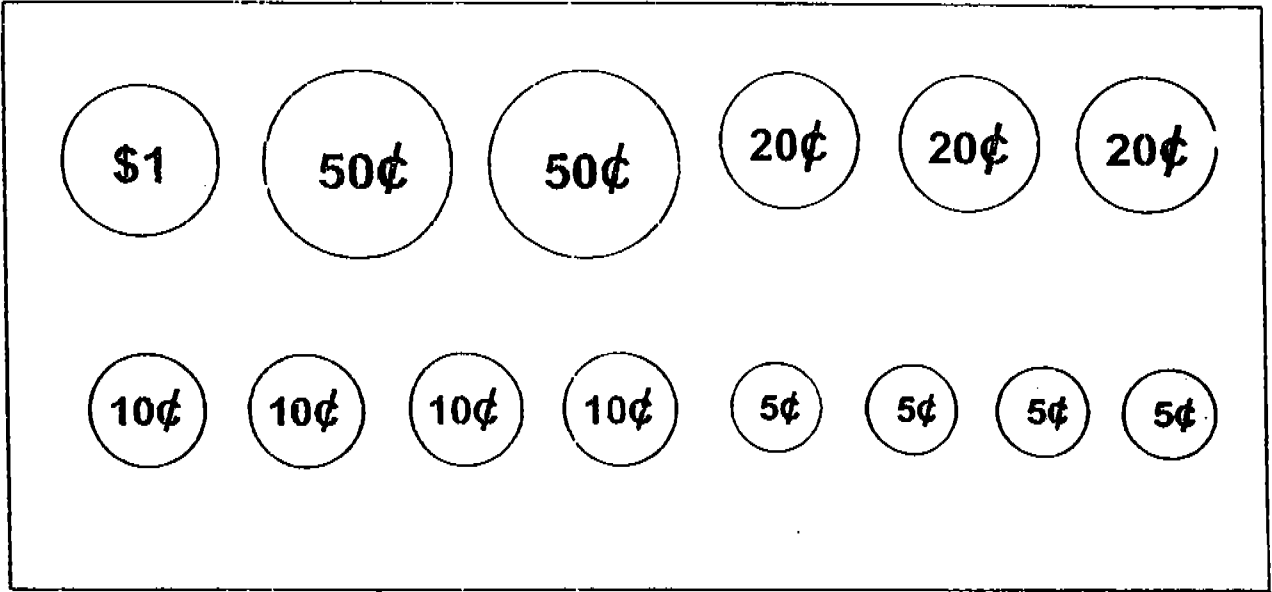

9. 758 cents = \$

10. How much money is needed to make \$1.00?

66

11. Ring the least number of coins to make \$1.45.

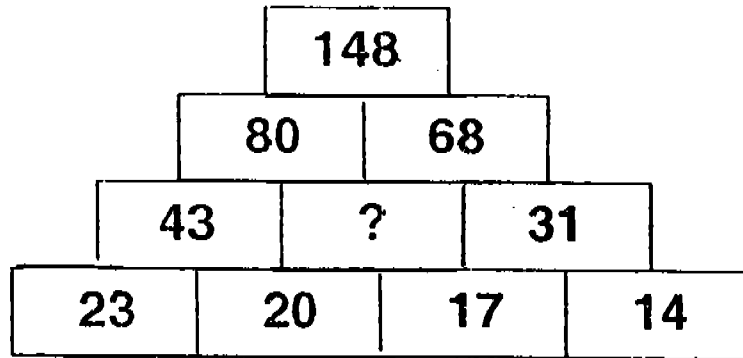

Section C (2 marks each)

Write the correct answers in the boxes provided.

12.
$$\begin{array}{r} \boxed{} \\ + 359 \\ \hline 820 \\ \hline \end{array}$$

13.
$$\begin{array}{r} 731 \\ - 342 \\ \hline \boxed{} \\ \hline \end{array}$$

14.

The missing number is

15. If $\text{pentagon} + \text{pentagon} + \text{pentagon} + \text{pentagon} = 20$

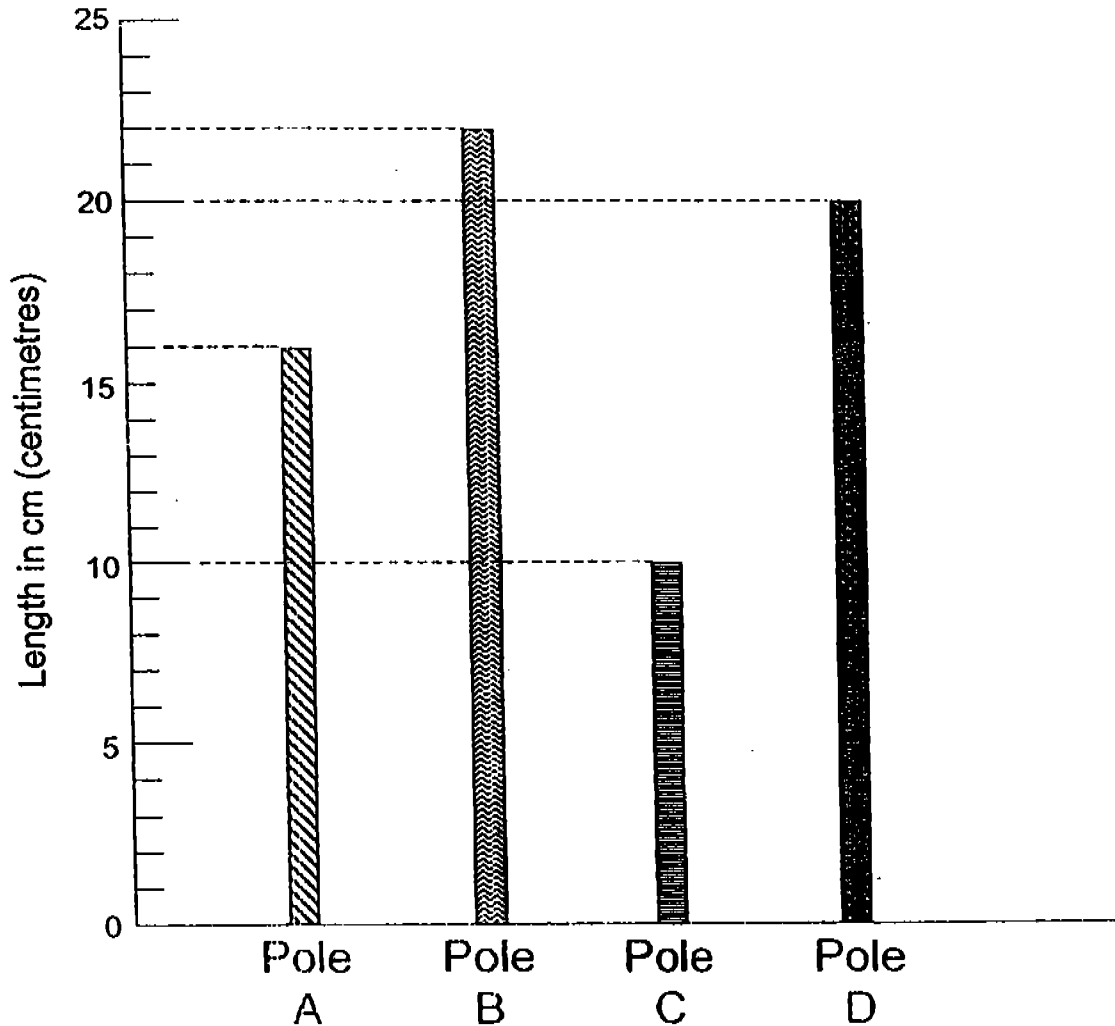

and $\text{crescent} + \text{crescent} = 18$

then $\text{pentagon} + \text{pentagon} + \text{crescent} = \text{input box}$

Section D (2 marks each)

For questions 16 and 17, study the graph below carefully.
Write the correct answers in the boxes provided.

Length of 4 different poles

16. The length of Pole B is cm long.

17. Pole is 4 cm shorter than Pole

18. Complete the following number pattern by filling in the missing number in the box.

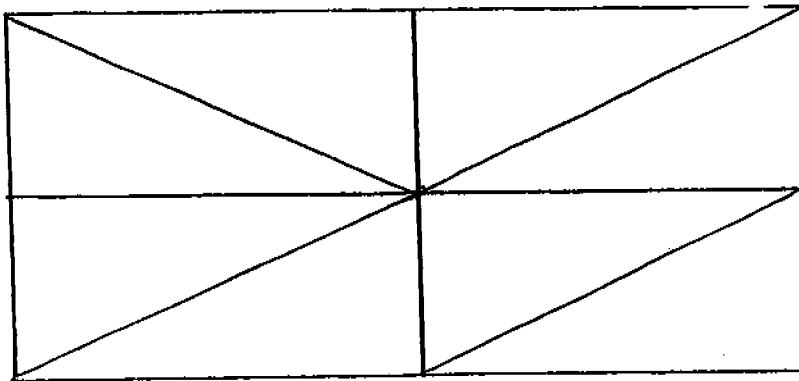

679	662	644	625	605	?	562
-----	-----	-----	-----	-----	---	-----

The missing number in the box is

Section E (2 marks each)

Complete these sums carefully.

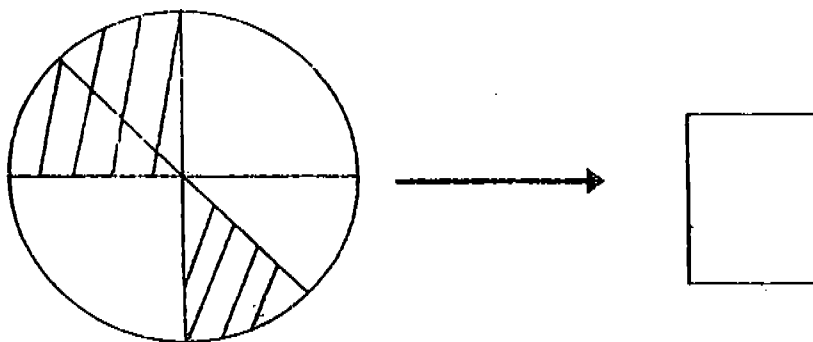

19. Colour the figure below to show $\frac{6}{8}$.

20. How many quarters are there in 2 wholes?

quarters

21. What fraction of the figure below is **shaded**?

22. Arrange the following fractions in order, beginning with the **smallest**.

$$\frac{2}{7}, \frac{2}{2}, \frac{2}{3}, \frac{2}{5}$$

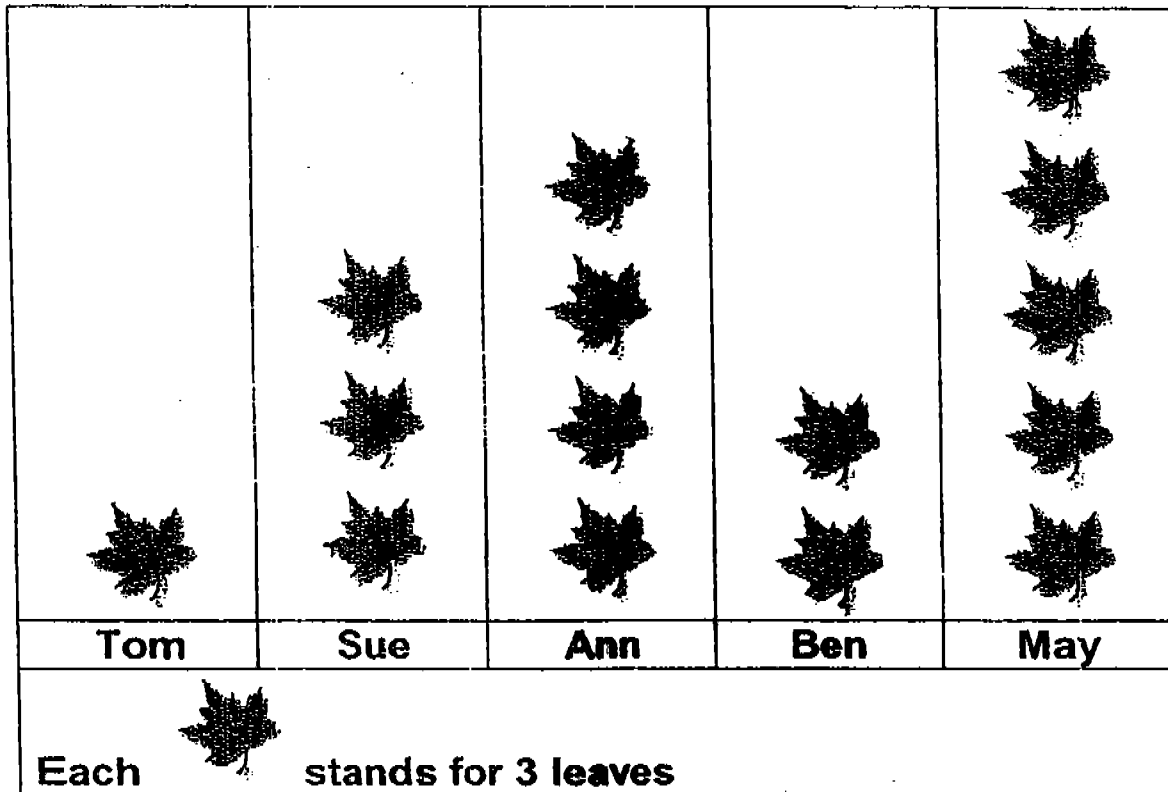

, , ,

Smallest

Section F (2 marks each)

The graph below shows the number of leaves 5 children collected. Use the graph to answer questions 23 to 25.

Our Collection of Leaves

23. May collected leaves.

24. Sue collected more leaves than Tom.

25. Ann collected twice as many leaves as

The table below shows the number of concert tickets sold in 4 months. Use the graph to answer questions 26 and 27.

Concert tickets sold in 4 months

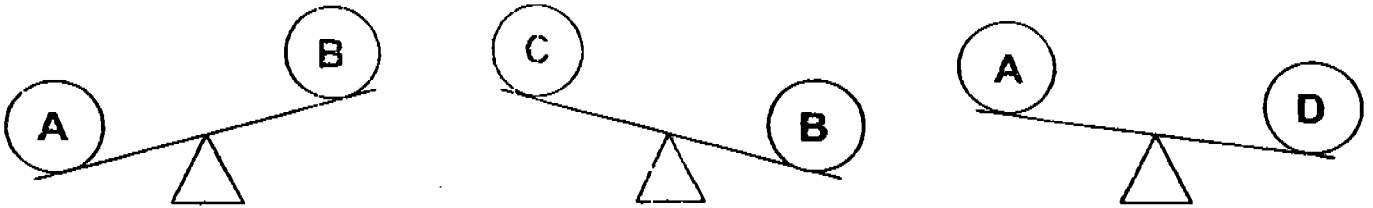

March	
April	
May	
June	
<p>Each  stands for 5 concert tickets</p>	

26. The total number of concert tickets sold in April and May was

27. 5 fewer tickets were sold in March than in

Section G (2 marks each)

Study the diagrams carefully and circle the correct answer for question 28.

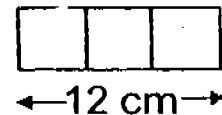

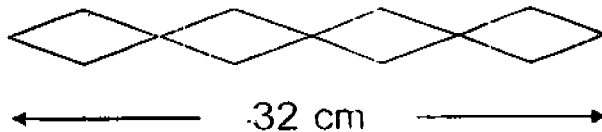

28. The mass of (A , B , C , D) is the heaviest.

29. In a park, 3 trees are grown between every 2 lampposts. If there are 6 lampposts in a single row, how many trees are there?

trees

30. Study the diagrams below.

	<p>The length of PQ is <input type="text"/> cm.</p>
--	---

Section H (2 marks each)

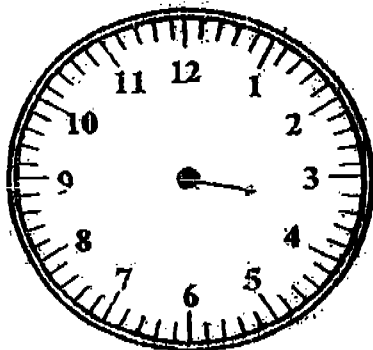

Look at the time carefully and write down the answers in the boxes provided.

31.

The time on the clock shows a.m.

32. Draw the minute hand to show 3.25 p.m.

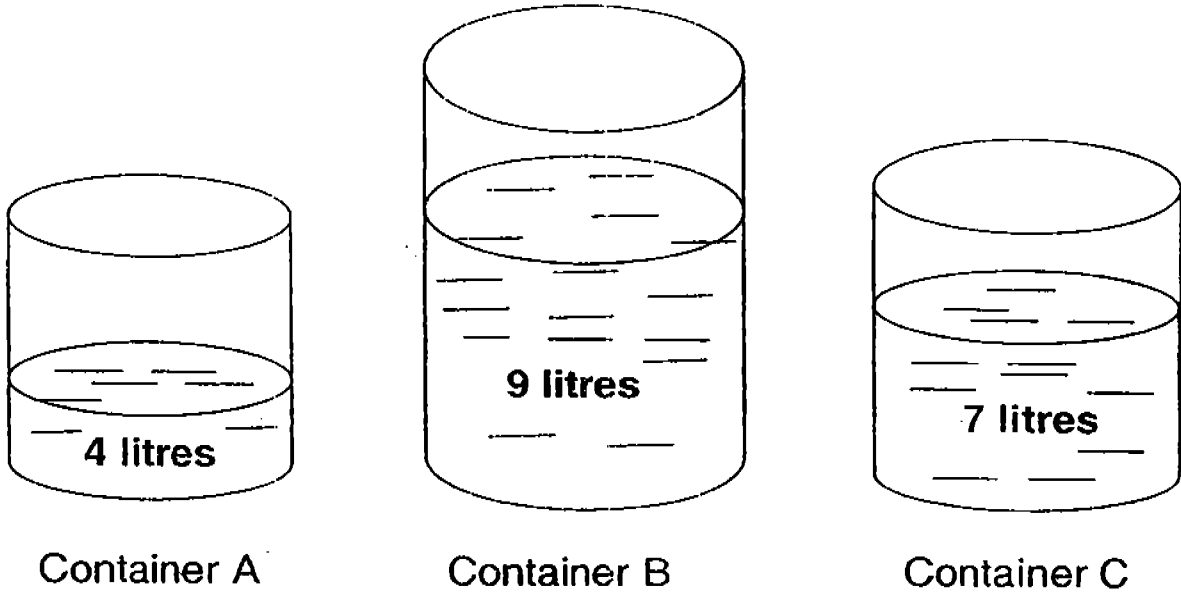

33. David took 25 minutes to run round a park. If he finished his run at 9.15 a.m., at what time did he begin his run?

a.m.

Section I (2 marks each)

Study the diagrams below carefully. Then fill in the boxes for questions 34 to 36.

34. Container A holds litres of water less than Container C.

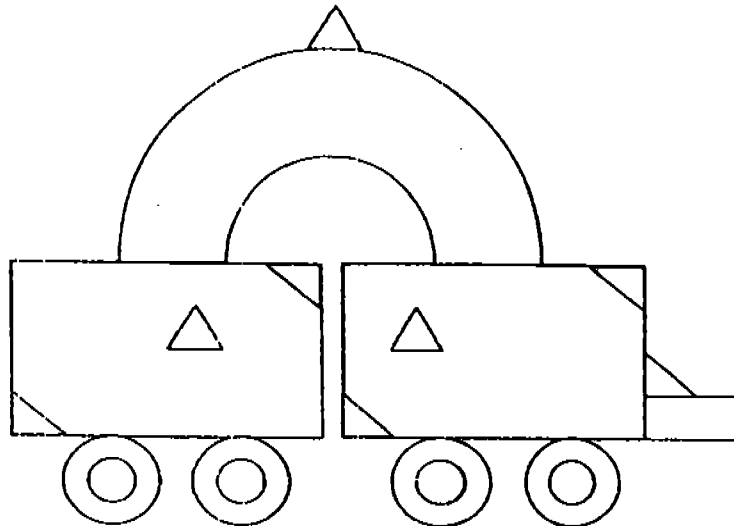

35. The total volume of water in the 3 containers is litres

36. A bottle can hold 2 litres of water when completely filled. If John poured **all** the water from Container B into such bottles, how many bottles will be **completely filled?**

bottles

Section J (2 marks each)

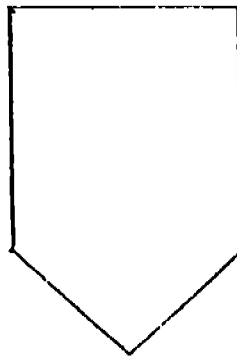

Look at the diagram below and answer questions 37 and 38.

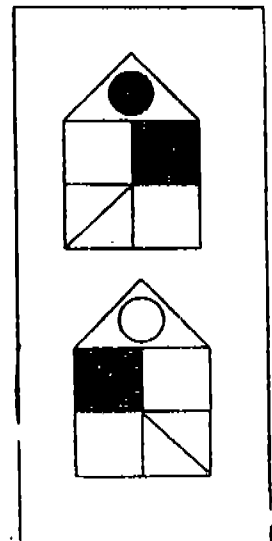

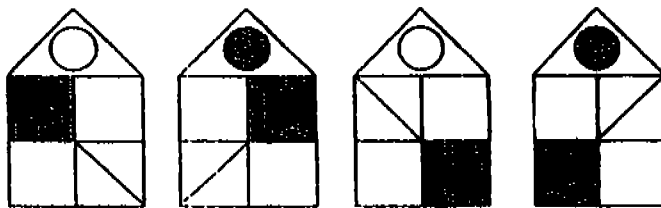

37. There are curved lines.

38. There are more triangles than rectangles.

39. Use a ruler to draw 2 straight lines on the figure above to form 3 triangles.

40. What comes next? **Circle** the correct shape in the box.

Section K (4 marks each)

Read the story sums carefully.

Show all your workings clearly and write the statements.

41. There were ~~85~~7 fish in a fish farm. The owner sold 266 fish in the evening. How many fish were left in the fish farm?

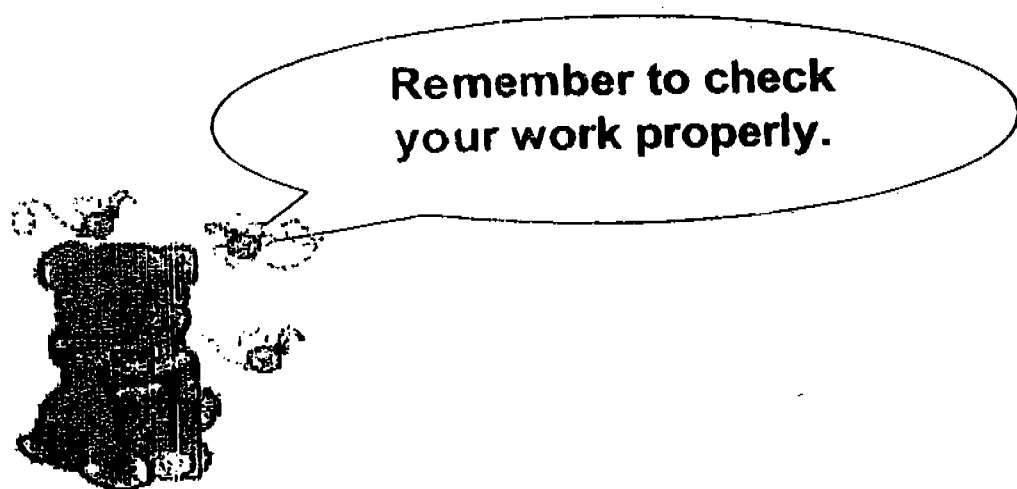

42. Sharon bought a book and a doll. She paid \$16 for the doll and \$3.50 less for the book. How much money did she spend altogether?

43. The mass of a box of 5 balls is 50g. The mass of the empty box is 10g. If every ball has the same mass, find the mass of each ball.

44. A pole is 133 cm high. Mr Tan painted 58 cm of it red and the rest blue. How many more centimetres did he paint the pole blue than red?

45. Tim bought some sweets. He shared his sweets equally with 4 friends. Each child received 7 sweets. How many sweets did Tim buy at first?

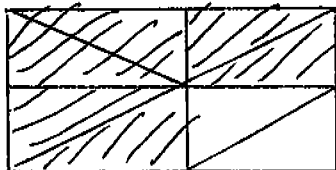

End – of – paper

A cartoon bear character is shown on the left side of the page. It is a dark-colored bear with a lighter-colored face and belly. The bear is holding a large, oval-shaped speech bubble that contains the text "Remember to check your work properly." The bear's arms are raised, and it appears to be speaking or shouting.

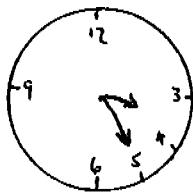

**Remember to check
your work properly.**

ANSWER SHEETS

1. eight hundred and twelve
2. 432, 423, 324, 234, 223
3. hundreds
4. 432
5. 7
6. 495
7. 265
8. 0000
0000
0000
9. \$7.58
10. \$0.85
11. \$1 20¢ 20¢ 5¢
12. 461
13. 389
14. 37
15. 19
16. 22
17. A, D
18. 584
- 19.

20. 8
21. $3/8$
22. $2/7, 2/5, 2/3, 2/2$
23. 15
24. 6
25. Ben
26. 20
27. June
28. D
29. 15
30. 16
31. 1.55am
- 32.

33. 8.50am
34. 3
35. 20
36. 4
37. 10
38. 5
- 39.

40. B
41. $857 - 266 = 591$
there are 591 fish left in the fish farm
42. book $\$16 - \$3.50 = \$12.50$
 $\$12.50 + \$16 = \$28.50$
she spend \$28.50 altogether
43. $40g / 5 = 8g$
The mass of each ball is 8g
44. blue $133cm - 58cm = 75cm$
 $75cm - 58cm = 17cm$
He painted 17cm more blue than red
45. $4 + 1 = 5$
 $5 \times 7 = 35$
Tim bought 35 sweets at first
