GI6010 International aid and development RESIT examination
Time allowed: two hours

Answer any THREE questions

1. What is development?
2. What is necessary to reform public administration in developing countries and how do International organisations seek to support this process?
3. Using examples, show how state policy in developing countries can improve access to education
4. Is the agenda of 'Good governance' an example of 'overreach' by the western nations, large on aspiration but disappointing in outcome?
5. How far and in what way is EU aid policy driven by the agenda of its member states?
6. Critically evaluate recent attempts to reform the Structural Adjustment process (SAP).
7. In the context of the credit crunch, is micro-credit an idea whose time has passed?
8. Explain how international aid has supported initiatives to halt the spread of HIV OR to mitigate its consequences.
9. Why are some governments suspicious of NGO's? Are they right to have some reservations?
10. How can we measure aid effectiveness?
11. In what ways do 'Developmental States' differ from other kinds of state?
12. Under what conditions can effective reconstruction following state failure take place?
