BENVUD04: History of Urban Design

Duration of exam: 2 Hours

Answer two out of the following four questions:

- 1 What are the main factors affecting London's growth and what are currently its key poles of urban regeneration and development?**
- 2 Describe the role that the river Thames has played historically in the development of London, how London's relationship with the river has changed over time and how it is expected to evolve in the future.**
- 3 London is often described as a patchwork of villages with no clear overall structure. What is the basis for this observation and to what extent does it still apply to London's current development plans?**
- 4 Compare London and Paris in terms of overall urban structure and in terms of their major urban design characteristics.**
