## **ENVSGK10: History of Urban Design**

Duration of exam: 2 Hours

Answer two out of the following five questions:

- 1 Describe Cerda's 19<sup>th</sup> Century plan for Barcelona and its significance, in relation to other gridded city plans, in the history of urban design.
- 2 What was the "Garden City" movement and what has been its historical significance?
- 3 Describe briefly the historical factors that have lead to the hyperdensity of Hong Kong and define, in terms of urban design, the key characteristics of the urban space that has resulted from this hyperdensity.
- 4 What aspects of the city of Hong Kong, in terms of urban design, can be specifically attributed to asian influences rather than to the western influence of its colonial past?
- 5 What lessons can be learned, in terms of urban design, from the hectic history of London's South Bank development?
