University College London**

**MSc Urban Regeneration
Diploma/MSc in Town & Country Planning, MPhil Town Planning
Module Title: Urban Problems and Problematics (ENVSUR01)**

Day, month 2003, time [to be finalised...]

Two hours

Answer *one* question

1. How far can the Schumpeterian concept of innovation be applied to a service-based "knowledge economy"? What are the implications for urban regeneration projects?
2. What contribution could the creative and cultural industries make to urban regeneration, and how important could it be?
3. Discuss the view that attempts to change fundamentally the spatial structure of urban economic development – as for instance Thames Gateway – are unrealistic and therefore doomed to fail.
