Course Examinations – May 2006

**ENVSUR01 : Urban Problems and Problematics:  
Social and Economic Dimensions**

REFERRED/DEFERRED VERSION

*Time allowed: 2 hours*

- Answer ONE question
- Include diagrams where they assist in providing explanation

**Question 1**

What do you understand by Castells' "space of places" and "space of flows"? How exactly do they relate in an economy like London's? What is the likely significance for regeneration?

**Question 2**

Are the 2012 Olympics likely to have a lasting impact on the economy of East London, and if so what? Justify your answer in terms of your understanding of locational factors and also the experience of other similar events.
