TURN OVER

**PAPER ENVSGM03: Managing the City Economy: Application of Economic Criteria
(2001/02 Session)**

DURATION: 3 hrs.

Answer TWO questions only. All questions carry equal marks.

- 1) Outline the economic opportunities and challenges that face a city with an expanded container port.
- 2) To what extent is economic growth a solution to the urban environmental problems in developing countries?
- 3) What are the underlying causes of de-industrialisation? What challenges does it pose for city managers?
- 4) What in your view is the most effective means to alleviate urban poverty in developing countries?
- 5) If urban costs are high in large cities, why do economic activities continue to locate there?
- 6) What can city authorities do to enhance urban productivity?
