

**EXAMINATION FOR INTERNAL STUDENTS**

*For The Following Qualification:-*

*M.Sc.*

**ESGU17: Organisational Change to Support Urban Development**

COURSE CODE : ENVSGU17

DATE : 01-APR-03

TIME : 10.00

TIME ALLOWED : 3 Hours

**PAPER ENVSGU17: Organisational Change to Support Urban Development**

**DURATION: 3 hours**

**Answer THREE questions only.**

---

1. Give your views on the potential of increasing organisational interactions as a tactic for improving the effectiveness of organisations involved in the delivery of urban development. Refer to a particular case or use illustrations to make your point.
2. "Providing information is the most effective tool that poor people have for changing the behaviour of organisations affecting their lives." Discuss.
3. What are the mechanisms by which the provision of leadership can change the behaviour of an organisation?
4. How can actions of local government and of private sector institutions that affect urban development be changed by the provision of stronger land tenure to squatters?
5. "Donor funding of urban development projects is a good way to bring about the changes in local government that lead to improved service provision." Discuss.
6. Discuss whether building the capacities of community organisations can result in improvements to governance.
