© 2005 *University College London*

**TURN OVER**

Answer THREE questions. There are ten questions on this paper.

1. Critically assess the proposition that a 'globalised' world is one in which there is free movement of capital, information and people.
2. 'The recent history of the refugee is inseparable from the history of colonialism.' Discuss.
3. How is the experience of displacement and loss shaped by gender identities, roles and relations?
4. 'The law's construction of the refugee deems that asylum-seekers have human rights inferior to those of nationals'. Discuss in the context of UK asylum policies.
5. To what extent do human rights strategies empower asylum seekers to confront restrictive State refugee policies?
6. What are the main debates associated with the implementation of humanitarian assistance in emergencies?
7. 'Current EU policy on border control and migration management fails to stop forced migrants entering member states.' Discuss.
8. What are the advantages and disadvantages of using Post Traumatic Stress Disorder (PTSD) as a diagnostic category in the context of forced migration?
9. What is the impact of forced displacement on refugees' health?
10. What are the challenges in promoting refugees' rights to health?
