Exam Questions

You have three hours to complete this paper.

You must answer THREE questions in all: answer QUESTION ONE and TWO OTHERS. Each question carries equal marks.

Please read the questions very carefully and be sure to answer the question asked.

1. Watch the 5 minute film clip from The Doctor (1991).

Read essay question: Discuss the representation of medicine in the clip.

Watch the clip a second time. Plan, and start writing.

2. Why tell the same story again and again? Discuss critically with reference to at least two cinematic versions of EITHER 'Dr Jekyll and Mr Hyde' OR 'Frankenstein'.

3. "Documentary is the film genre that most accurately portrays the practice of medicine". Discuss.

4. In what ways (if any) can fiction films about medicine contribute to a better understanding of doctor-patient relations? Illustrate your answer by reference to at least 2 medical films from the course list.

5. With reference to at least 2 films from the course list, discuss the cinematic representation of EITHER difficult medical-ethical choices OR relations between medical professionals.
